

Eligible postcodes in VIC and NSW for AGN's natural gas appliance rebate campaigns

Per the Terms and Conditions of the 2017 Appliance Rebate Campaign, rebates are only available to customers who are installing eligible appliances in properties that are connected to the natural gas distribution network owned by Australian Gas Networks (AGN). The tables below are designed to help both customers and participating rebate suppliers determine whether a customer is eligible for the rebate, while the map provides an overview of AGN's presence in Victoria and southern NSW. No postcode review is necessary for SA properties, since AGN is the sole owner of the gas distribution network in SA.

Table 2: Postcodes that should be double-checked for eligibility

Postcodes in this table represent areas only partially owned by AGN, so eligibility should be double-checked first. This can be done by checking whether the gas meter is branded AGN or Envestra, or by calling a State Marketing Representative: VIC on 03 9463 8419 or 03 9463 8297, NSW on 02 5933 0811. Feel free to also contact the Natural Gas Rebate Team to confirm eligibility: 08 8115 4442, 08 8115 4443, 08 8115 4441.
