

Eligible postcodes for AGN's natural gas rebate promotions

Rebates (or 'cashbacks') are only available to eligible appliances installed in properties that are connected (or are in the process of connecting to) the natural gas distribution network owned by Australian Gas Networks (AGN). **Further Terms and Conditions apply.**

The tables below can be used to determine offer eligibility in Victoria and New South Wales. Some postcodes listed below are only partially owned by AGN, so customers in these postcodes should confirm address eligibility by contacting AGN's Customer Service Team on 1300 001 001 (Option 3) or AGN's Natural Gas Promotions Team on 1300 001 001 (option 7).

AGN is the sole owner of the natural gas distribution network in South Australia and the Northern Territory so no postcode review is necessary for this state/territory (as long as the property is connected to natural gas and not connected to other fuel sources such as LPG/liquefied petroleum gas or LNG/liquid natural gas).
