

Authorisation for a Representative to Submit a Gas Disconnection or Abolishment Request

Purpose

Use this form where a property owner wishes to authorise another person (such as a builder, contractor, consultant, property manager or other representative) to submit a gas disconnection or gas abolishment request on their behalf.

This form may be used by AGIG to verify authority before processing the request.

Authorisation

I confirm that;

- I am the registered proprietor of the property identified in this form and have authority to provide the authorisation set out below.
- I authorise the representative identified in this form to act on my behalf in relation to a request for gas disconnection or gas abolishment at the property identified above.
- This authority includes submitting requests, providing supporting documentation, communicating with Australian Gas Networks and receiving updates regarding the request.
- I acknowledge that Australian Gas Networks may rely on this authorisation when communicating with the authorised representative and processing the request.
- I understand that additional information or supporting documentation may be requested to verify ownership, authority or eligibility before the request is processed.

This authorisation remains valid until the relevant gas disconnection or gas abolishment request has been completed, withdrawn or cancelled.

Request type

☐ Gas disconnection (temporary)

☐ Gas abolishment (permanent)

Authorisation

I declare that the information provided in this form is true and correct.

Privacy Collection Notice

AGIG collects the personal information contained in this form for the purpose of verifying authority, assessing eligibility and processing gas disconnection and gas abolishment requests. If the requested information is not provided, AGIG may be unable to process the request. AGIG may disclose personal information to service providers and contractors who assist in administering these services. Further information about how AGIG handles personal information, including how to access or correct your information or make a privacy complaint, is available in AGIG's Privacy Policy.
